

Vision & Mission

Christian Education Matters has a tenaciously focused **VISION** to cultivate and enhance a partnership of unity (a single voice for the Christian Church, Christian School and the Christian Home), an enduring immersive experience envisioning a future where Christian schools embrace educational excellence and responsible ownership to reach their full evangelistic potential fulfilling the Great Commission and introducing others to Jesus.

Christian Education Matters **MISSION** is to equip (with best practices, customized tools, resources and nurture) serious and motivated Christian school leaders, school boards, principals, teachers, pastors, and parents to become better ministers with measurable results as a vibrant Christian school in their communities.
