MISSION STATEMENT

Our Mission

Why does this ministry or department exist in the church?

Example of a mission statement: The ministry or department of _____, exists for the purpose of bringing the gospel of Jesus Christ to every home and person, in addition to provide a place where members and non-members of the church can find opportunities for growth, in order to take part in the preaching of the gospel.

Our Method

What are the methods to fulfill the mission in this ministry or department?

Method example: Guided by the Bible and the Holy Spirit, Seventh-day Adventists continue this mission by living, communicating, discipling, teaching, healing, and serving like Christ.

Our Vision

What is the vision for this ministry or department?

Vision Example: In harmony with biblical revelation, Seventh-day Adventists view God's plan as the climax of restoring all His creation into full harmony with his perfect will and justice.

Every strategy, Every methodology and any programming or planning must be based on the fulfillment of God's mission. To be more effective in this task it is necessary to be intentional in adopting a double dimension of this sacred trust. Namely:

a. The dimension of the internal mission

It refers to the retention and restoration of believers in the image of the Lord Jesus Christ. Both aspects must be developed collectively, but also individually, since the final objective of the church's mission is the salvation of man, granted by God through man; according to what Paul describes in Ephesians 4: 8-16.

b. The dimension of the external mission

It consists of the preaching of the gospel to everyone around each ministry or department; "And he said to them: Go into all the world and preach the gospel to every creature." (Mr. 16:15).
