

A painting depicting Jesus with long brown hair and a beard, wearing a white robe with a sash. He is looking towards a white lamb on the left. His right hand is raised, with the index finger pointing towards the lamb. The background is a soft, hazy landscape with rolling hills and a blue sky. The overall style is reminiscent of religious art from the late 19th or early 20th century.

# The Sabbath School Shepherd

*Shepherd the flock of GOD which  
is among you, serving as overseers,  
not by compulsion but willingly,  
not for dishonest gain but eagerly;  
nor as being lords over those  
entrusted to you, but being  
example to the flock.*

*1 Peter 5:2,3*

# TEACHING

In all true teaching the personal element is essential. It was by personal contact and association that He trained the twelve. The same personal interest, the same attention to individual development are needed in educational work today.

Counsels on Sabbath School Work Chapter 3

In order to convince others of the power of Christ's grace, we must know its power in our own heart and lives.

Only through a living faith in Christ as a personal Savior is it possible to make our influence felt in a skeptical world.

No one can labor in the Sabbath school or in the temperance work without reaping a bountiful harvest, not only in the end of the world, but in the present life.

I AM

the GOOD SHEPHERD

I know My sheep

and My sheep know Me  
just as the Father knows Me

and I know the Father

and I LAY DOWN

My life

for the sheep.

JOHN 10:14-15
